ÉLIO KAYAKS ENJOY DOUBLE GOLD RESULTS

The 2010 ICF Canoe Marathon World Championships held Sept 25/26 in Banyoles, Spain, has yielded the best ever results in marathon kayaking for the ÉLIO Kayak brand.

Firstly, we are delighted to congratulate Walter Bouzán Sanchez and Álvaro Fernández Fuiza of Spain for winning world gold in the blue riband Senior K2 event. The Spanish pair paddled our top quality SPRINT L K2 and set a cracking pace, with crisp portaging and a devastating sprint finish to hold off white hot competition, including Nestor Pinta and Martin Mozzicaffredo of Argentina who claimed a hard-fought 5th position, also in an Elio SPRINT L.

In Senior C2, the Spanish duo Oscar Graña Blanco and Ramon Ferro Dias also took gold, paddling an Elio Fast C2 decorated with vivid Spanish colours.

Earlier in the day Santiago Mackinnon and Juan Ignacio Caceres of Argentina claimed silver medals in men's Junior K2 in a thrilling fast race, paddling an Elio K2 Sprint M.

These triumphs clearly show the high level performance that can be expected out of Elio Kayaks. There are even those who say that Élio marathon kayaks in honeycomb are the finest available, delivering great results at the highest level of International competition. Élio's kayaks commitment to quality production continues to pay off as the brand record more and more great results.
